

## Boom Chicka Boom!

Tradition is important at Calumet! Traditions have helped grow Calumet into the camp and retreat center that is one of the best in the country and loved by so many. One of those traditions is welcoming folks with a resounding Boom Chicka Boom!

Campers gather to praise God and greet the day each morning in the Outdoor Chapel and then explore with their counselors the curriculum. This year's curriculum is "Spiritlife" and it has great activities and fun lessons for campers of all ages.

After lunch, campers have an afternoon packed full of departmental activities of their choice. Swimming, soccer, tennis, boating, arts & crafts, caring for animals, photography, drama, and more. When the dinner bell rings, campers are hungry! Every night a 20-foot salad bar awaits them before a delicious dinner is served.

Evening vespers and a camp-wide game complete a day of FUN, FAITH, & FRIENDS.

While traditions have kept Calumet strong, new ideas and programs have kept it vital. Departments offer new and creative programs. Of course, there's always new songs and hymns being sung.

Be a Calumet camper! You can register online. Just go to the website [www.calumet.org](http://www.calumet.org) to discover how easy it is.

Remember, Calumet's not just for kids. See flip side for the family & adult opportunities this summer.
