Nuts & Bolts

At Day Camp, kids laugh a lot as they go through the day learning more about themselves, each other, and God. Your child will find that at Calumet it is easy to make friends and lots of them! In addition, in everything they do, from Bible Discovery to arts and crafts to swimming, they will discover that Jesus loves and accepts them.

Calumet is the camp of the New England Synod of the Evangelical Lutheran Church in America and welcomes all children.

Our 50 years in camping makes us experts at knowing how to create an atmosphere where your child will be safe and supervised by well-trained staff. All staff participate in an intensive training week which includes safety procedures, risk management, first aid, and more. There is at least one counselor for every six campers.

Executive director, Rev. Nancy Eldredge Hess, oversees all operations and provides expert guidance. Paul Lindahl, Calumet's family & adult camp director oversees the day camp program to assure that your child has a great day camp experience. Becci Barnett is serving in her fourth year as Day Camp program director.
