

I have applied to Calumet Lutheran Ministries for employment during 2020. I desire that they be fully advised of my record with former employers, teachers, clergy, and others who know my competence. I especially want them to be knowledgeable of my ability to provide people, especially children, with a safe and wholesome environment. I, therefore, respectfully request that you furnish the information they seek from you, and I hereby release you from any and all liability of damages for providing the information requested.
