

## MEMORIAL CHAPEL MARKER

Calumet offers the option to memorialize loved ones in the Memorial Garden with a memorial marker. The standard granite markers are 11.5" square. There are 16 characters per line and Calumet has chosen a standard font and character size. The markers commemorate the lives of loved ones who may or may not have their ashes interred in the Memorial Garden. In many cases, family members make arrangements for a marker which remembers someone who is interred elsewhere, but whose memory is very much alive here at Calumet.

Calumet also has an option for pre-payment for a spouse or a couple wishing to make arrangements for a future memorial stone. Pre-payments will be held in the Memorial Chapel fund with the names of each person/couple who is taking advantage of the pre-payment option. A certificate of pre-payment will be sent to keep with your estate planning records.

There is a \$300 per person/\$600 per couple all-inclusive fee which covers all of the costs associated with interment at Calumet (purchase of the granite, engraving the names and dates, marker transport, garden preparation for interment, garden and trail upkeep).

For those persons whose ashes are scattered in the Memorial Garden, there is a small cross engraved in the corner of the marker. Calumet arranges for the marker to be engraved and put in place.

Please complete the information below and return this form, along with your payment, to: Calumet, Attn: Memorial Marker, PO Box 236, West Ossipee, NH 03890. Please include the words "Memorial Marker" in the memo line on your check. Payment is \$300 per person and \$600 per couple.
